RE: Identification Number C00310136  
Amended July Quarterly

Dear Ms. Kelly:

Enclosed please find your letter of October 18, 2002.

Please note that our 48 hour notice reported that the contribution was from Chet Beller, however, the check was signed by Sharon Beller (enclosed) and thus on our FEC Report we correctly reported it as a contribution from Sharon Beller. I have included the page of the report where it designates Sharon Beller's contribution.

If you have any questions in regard to this matter please do not hesitate to contact us

Very Truly Yours,

Jerri-Lynn Wier
